Important Letter.

Messrs. Curtis & Smith,

Dear Sirs—I herewith enclose you a few lines relative to your "Dowd's Elixer," which, for the benefit of the suffering, if you think worthy you are at liberty to make public. About a year and a half ago my mother became sick, so that in a short time we began greatly to fear for her life. Her symptoms were, bad cough, pain in the side and stomach, night sweats, and other premonitory signs of pulmonary consumption. We consulted our best physicians, who gave her little or no relief, and finally pronounced her case incurable consumption. She continued to become weaker, and the symptoms more confirmed.

About this time, at the suggestion of a friend, we concluded to try Dowd's Elixer. Having procured a bottle from your agent (S. R. Byram of Eastport) she commenced using it. At first it seemed only to mitigate the severity of the symptoms, but in a short time her health began evidently to improve. It cured her cough, relieved her night sweats, and greatly improved the tone of the whole system.—After having continued its use most of the time for nearly a year, she calls herself cured. She is now able to go about the house, and superintend affairs as usual. Under God we believe that to Dowd's Elixer alone, she owes the preservation of her life and the restoration of former strength and energy. We have also used it in our family in other cases for which it is recommended in the pamphlets, with universal success. Yours truly,

[Signed] SWAIN & NOLDSTROM.

The above is only one of a thousand similar letters which we are constantly receiving, from all parts of the country, almost daily.

DOWDS' ELIXER is unquestionably the best article known for the cure of *COUGHS, COLDS* and *CONSUMPTION*. It is more certain to give relief in all cases of *ASTHMA*—often a perfect cure—than any thing hitherto offered to the public.

In cases of *WHOOPING COUGH* it needs only to be tried to give it preferance over all other remedies; it immediately breaks up the cough, and renders a mere plaything what is otherwise a scourge and terror. For the *CROUP* it is a positive cure. We speak with confidence, for it has never failed, and we believe never will, when used according to directions.

Pamphlets, giving a full description, to be had of agents in almost every town and village in the country, and of the following, who are prepared to sell at wholesale or retail.

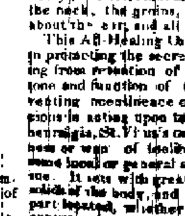
ALL-HEALING
Ointment,



FOR THE CURE OF Colds, cough, consumption, scrofula, scurvy, and all cutaneous eruptions, for bruises, burns, ulcers, sores of all kinds, and general or local debility.

This celebrated Ointment has a most striking effect upon the blood, in cleansing it from all impurities; upon the synovial fluid, which lubricates the joints and thus removes stiffness, soreness & pain upon the lymphatic ganglia or glands, promoting the free and healthy secretion of the lymphatic fluid, and thus removes swelling of the glands about the neck, the groins, the axilla or under the arm, about the ears and all other parts of the body.

This All-Healing Ointment is equally efficacious in promoting the secretion of the kidneys, relieving from retention of urine; and by restoring the tone and function of the urinary organs thus preventing incontinence of urine. Its equally efficacious in acting upon the nervous system by curing neuralgia, St. Vitus's dance, palsy, paralysis, numbness or want of feeling or power of motion from some local or general affection of the nervous tissue. It acts with great power on all the fluids and solids of the body, and attacks disease in whatever part located, whether on the surface or internal organs.

We speak the things which we know of the astounding efficacy of this justly celebrated invaluable and worthily named "ALL-HEALING OINTMENT." The innumerable cases that have been assuaged, the ten thousand sufferers relieved and cured, and the more that ten thousand ... which have been comforted and cheered by its ... efficacy, testify ... to the truth of all, and more than all, herein asserted.

DR. UPHAM'S

Vegetable Internal Remedy
FOR THE PILES!

☞ A Cure for Life Secured. ☜

For the cure of Piles, Inflammation of the Liver and Spleen, Inflammation, Soreness and Ulceration of the Stomach, Bowels, Kidney and Bladder; Inflammatory and Mercurial Rheumatism, Impurity of Blood; Weakness and Inflammation of the Spine; and for the relief of Married Ladies.

THE VEGETABLE PILE ELECTUARY, invented by Dr. A. Upham, a distinguished Physician of New York city, is the only really successful ... for that dangerous and distressing complaint, the Piles, ever offered to the American public.

Mark this: it is an INTERNAL REMEDY—not an external application, and will cure any case of Piles, either bleeding or blind, internal or external, and probably the only thing that will. There is no mistake about it. It is a positive cure—*speedy and permanent*. It is also a convenient medicine to take, and improves the general health in a remarkable manner.

Each box contains ... doses ... It is very mild in its operation, and may be taken in cases of the most acute inflammation without danger — All external applications are highly disagreeable, inconvenient and offensive, and from the very nature of the disease, temporary in their effect. This Medicine attacks the disease at its source, and REMOVING THE CAUSE, renders the cure CERTAIN and PERMANENT.

INFLAMMATORY DISEASES.

Although the Electuary was originally prepared for the cure of Piles, yet it has proved itself a remedy far superior to all others, in all diseases of an inflammatory character, with a determination of blood to any particular part or organ. In inflammation and congestion of the Liver and Spleen, inflammation, soreness and ulceration of the Stomach, Bowels, Kidneys and Bladder, in inflammatory and mercurial Rheumatism, it is the best medicine ever discovered.

IMPURITIES OF THE BLOOD.

For all impurities of the Blood, arising from the imprudent use of Mercury, or other causes, for all diseases of the Skin, and Scrofulous affections, in all cases where the blood is powerfully determined to the head, producing dizziness and distress, DR. UPHAM'S ELECTUARY is entirely unrivaled.

TO MARRIED LADIES

Married Ladies are almost invariably subject to that painful and injurious disease, the PILES, with ... inflammation of the Stomach, Bowels and Spine, weakness of the back, flow of blood to the head, &c.— The Electuary is perfectly safe for Pregnant ladies, and the most useful Cathartic that can possibly be used, as it will not only remove the Piles and all inflammatory diseases, WITHOUT PAIN or IRRITATION, but will ensure an easy time, a safe delivery and a sound constitution ...

CURE FOR LIFE GUARANTIED.

The Electuary contains NO MINERAL Medicine, no Aloes, Colocynth, Gamboge, or other powerful and irritating purgatives. No fear of taking cold when ... in any ... according to the directions, A CURE FOR LIFE IS GUARANTIED.

Pamphlets giving valuable information respecting this Medicine, may be had of Agents, gratis.

D. F. BRADLEE, 130 Washington st. Boston, General Agent for the New England States.

GREAT SUCCESS OF UPHAM'S
PILE ELECTUARY.

Portland, Me., March 11, 1847.

Dr. Upham—My dear Sir—I cannot express to you my sincere and heartfelt thanks for the wonderful cure I have experienced by the use of your truly valuable Pile Electuary. I have been a perfect martyr to the Bleeding Piles for 10 years past, so much so that I became reduced almost a skeleton, with loss of appetite, and general derangement of the digestive organs. My eyes also became affected, and indeed I was so ... to myself. I was obliged to give up my business. I had tried all kinds of medicine, had the best advice of the Doctors in Boston and this place, and ... much money—and twice submitted to painful operations. I had become perfectly tired of life, and at the suggestion of my friends I was induced to try a box of your medicine. The first I found relief ... still I persevered, and purchased a second, and I assure you, when I got half through, I found myself getting well, until I kept on, and now I am a well man. My dear Sir, language cannot express to you the full thanks that I am once more restored to health and now in a condition to support my large family, dependent on me.

You can use this letter as you please.

TO THE AFFLICTED.

DR. DOUGLASS respectfully informs the citizens of Boston that he may be consulted as to all diseases incident to the human frame, at his office,

No. 55 Union Street.

Dr. D. has been an extensive practice in all parts of the United States, and has now in his possession the best of evidence to show that he is a regular M. D. He has been upwards of 10 years in practice. The diseases of females will receive the best particular attention. He will tell all the disease from an examination of the eye: this is an advantage that Dr. D. has above all other practitioners, and which will necessarily, in doing, the necessity of a long and unpleasant explanation on the part of the patient, of the disease with which they are afflicted. The age and length of time the patient has been suffering, is all the Dr. will require to give a most thorough knowledge of their complaint and whether or not a cure can be effected.

Dr. D. has been very successful in the treatment of Colds, Coughs, Consumptions and Liver Complaints, all Pulmonary diseases, Scrofula, Rheumatism, Fits, Dysentary, all diseases of the Eye and Ear, diseases of the Blood, Palpitation of the Heart, Gout, Salt Rheum, Cancers, cutaneous diseases and all affections of the kidneys and bladder; Tic doloreux, Hernia, Abdominal Weakness, Tooth ache, Intemperance, Stammering. Dr. D. warrants a cure of any of the above diseases, if applied to in season.

He would also respectfully inform the Ladies that he will attend to their diseases and complaints from 8 to 12 AM and from 2 to 9 P M. A full and general assortment of medicines and kept constantly on hand. Printed directions accompany each bottle or package.

All communications (post paid), with a fee enclosed, will be strictly attended to.

Remember the number—55 Union Street.

Whig and Courier.

John S. Sayward — Editor

SATURDAY JUNE 3 1848

☞ The Boston Atlas reads the New York Tribune a good lesson on practical kindness for its offensive attack on the Whigs of Maine. The counsels of the Atlas should be generally heeded by the Whig press, and they should be prepared to work with an open and zealous support to the nominees of the Philadelphia Convention whether their preferences have been gratified or not. In the support of either of the distinguished Whigs whose hands are named there can be no abandonment of principle and certainly is not very pleasant or profitable for the Whigs to get up and maintain a heroic contest about men. The Whigs have an art of use to oppose and the powers of resistance should be reserved for them rather than expended upon each other — The cause the Whigs would promote is one of deep importance to the country and to the welfare of mankind. To its success they should willingly sacrifice every personal feeling and make every personal effort.

We cannot doubt that this is the spirit which almost universally animates the Whig press and we expect to see it fully illustrated in the opening campaign by a generous devotion by a liberal kindness and by mutual aids and encouragements — Maine is this year to be carried for GEN TAYLOR and to give OLD ROUGH AND READY such a vote as the good old man deserves every Whig voter must give him a ballot. Henceforth let there be no strife with the Whig press but the noble contest in which best can work and best agree.

File Cutting.

The business of file cutting is carried on in this city with great skill and ingenuity by Messrs T & J Collett. They have engaged in the business seven hands, and their present earnings for about amount to about seventy five dollars a week. The sales are something like seven thousand dollars a year. The files cut at this establishment are of as good quality as any that are imported. Indeed the head of the establishment is a native of England, who came to this country nearly twenty years ago. He has three sons engaged in the business with him and they are all patterns of industry and together make a prosperous family.

We stepped in to their factory yesterday and saw one lot of nearly three hundred dozen files, recently from one establishment, to be repaired and returned. They will be made full equal to new files and returned.

☞ On the public reception of Gen Scott by the municipal authorities of the Borough of Elizabeth in which he the home of Gen Scott, several interesting incidents occurred.

The following extract from the address of Hon Wm Chetwood to Gen Scott records a beautiful trait in the character of the deceased and will be read with pleasure.

"Among the strongest traits of character during you to us, my honored fellow citizen was that exhibited upon your first arrival, in the promptness with which, you so publicly led a conventation to acknowledged the protecting care of Heaven and overruling Providence, in your preservation. It was on the morning of the Sabbath day that you came quietly home among us and as soon as had you done so, than you rebore to your Protector and entered into his gates with thanksgiving and into his courts with praise." Sir, I was in that sanctuary as you entered, and when I saw you layer or laurels fresh and verdant at the foot of God's alter and with an humble and becoming reverence, bow before his foot stool, I could not feel and almost audibly express — Behold how the kindness of the Christian ennobles the valor of the soldier! Those laurels Sir, were as nobly as hardly won equal ice or injustice, from any quarter can strip them from your brow."

☞ It is reported that the proposition of General Worth which was submitted to the Court of Inquiry, to withdraw his charge against Gen Scott has been accepted by the Administration and hopefrom that all proceedings in the case will be quashed — this result has no come unexpectedly.

There was no just ground for the inquiry in the first instance, and the conclusion is in character with the charge — The source of it executive displeasure being removed, it is to be hoped that Gen Scott will now consent to receive some of the evidences of popular gratitude and respect which the country is anxious to bestow.

☞ We have received from Messrs W Ison & Co New York, a copy of their Fourth of July number of the Pictorial Brother Jonathan, illustrated by various engravings of large size, but not exactly to our taste.

The same expense would have furnished a multitude of pleasant and beautiful engravings of a more quiet cast to be sure, but with a happier effect upon the public mind. The paper for immensity of size and largeness of engravings, and for excellence of the ness, is the true picture of the times, and the style of the public mind. We could wish that both were some what different, but we must wait a little longer for the "good time coming."

The Jonathan was made to sell, and it is of that cast that the million will be sure to purchase it, as the price is only a penny.

The Belfast Signal states that the delegates from Somerset and Waldo to the State Convention held a meeting at Augusta and declared by a majority Zachary Taylor to be their preference as a candidate of the National Convention. This expression of opinion, with that of the State Convention, and the fact that next to him Maine undoubtedly prefers Gen Scott will determine the delegate to the National Convention from that Congressional district to vote for Gen Taylor on the first ballot. It would be strange were it otherwise.

Disaster.

The schr Charles Henry, Rollins, with a cargo of hay, leather and wood, bound for Boston, while in tow of the steamer Malden took fire in the hay on deck, and was burned to the water's edge. The schr was owned by J D Lang of Vassalboro. The cargo was understand was not insured. The fire was caused by sparks from the steamer which communicated with the hay, and the wind blowing very heavy, it was found impossible to subdue the flames, and she was abandoned.

Prospects of the Loco Foco Party.

The Augusta Age as Fogleman, and the Imitator of the Bangor Democrat, was trying to make the prospects of their party appear fair, by roundly asserting that they shall gain a victory in electing Cass and Butler in November next. These presses should bear in mind that there are events that are now away off in the distance which may possibly come to pass before the time arrives for the election of a President of the United States, which will be fatal to the success of the Democratic party. Should the Democratic party be split into two factions, as it is now threatened to be, and that very event may be brought about by the Democratic party of this State, the Democratic party will be defeated in the choice of President. Should the Democratic party be split into two factions, as it is now threatened to be, and that very event may be brought about by the Democratic party of this State, the Democratic party will be defeated in the choice of President.

NEVER DESPAIR OF LIFE!

KELLEY & CO'S

HIGHLY CONCENTRATED

SARSAPARILLA

Cures the Worst Diseases that ever preyed on the Human System, and saves Thousands of Lives Annually!!

10,000 CASES

Of SCROFULA cured by it the past year and 3,000 Cases DYSPEPSIA and HUMORS of which proof can be furnished. This is the only medicine known to cure these diseases.

THIS Sarsaparilla will bear TWO QUARTS OF WATER to a Bottle, and then be far superior to any in use. It is put into the Bottle its FULL STRENGTH and power without reducing it, and this is done for the special benefit of those who use it, as it is objected to all other Sarsaparillas that they are Weak, Clumsy Adulterated, Sickish and are wholly incapable of reaching the seat and cause of the disease. But this Sarsaparilla comes warranted to be

Six Times Stronger

than any other, and Ten Times Better, Safer, Surer and Cheaper than all others. THIS Sarsaparilla has bestowed on it some of the best MEDICAL Talents and Skill in the world, and CURES all the Sickness KILLS all the Pain and REMOVES all the suffering that it is in the power of Human means to do. It cures

Scrofula, Dyspepsia, Jaundice, Liver Complaint, Humors, Canker, Costiveness, Rheumatism, Cancer, Debility of the System, Salt Rheum, and every Disease which arises from Impure Blood!

CONSUMPTION CURED WITH KELLEY & CO'S SARSAPARILLA!

A PHYSICIAN who is truly the most distinguished of any in a large city for professional skill CERTIFIES something as it may seem that he actually CURED a case of Consumption with Kelley & Co's Sarsaparilla, and says that there is no medicine [illegible] which he has so much confidence for **Diseases of the Lungs.** Some will marvel at this REMARKABLE [illegible] but hundreds are knowing to be fact. This INESTIMABLE Sarsaparilla is also doing wonders in foreign lands. And says

SIR BENJAMIN BRODIE,

Surgeon to the Royal Family of England, that there is no other medicine which is CAPABLE of doing so MUCH GOOD and yet so INCAPABLE of doing injury." What distinguished compliment are these? Never was there a medicine honored with STRONGER RECOMMENDATIONS. It CURES when every thing else fails, the

Severest Scrofula and Humors,

where the flesh falls off the bones—the bones are diseased and the DART OF DEATH seems ready to strike the sufferer. And the reason for this is that it makes the BLOOD perfectly Pure Rich Healthy Quick Free Nutritious. It CURES all those ALARMING cases of DYSPEPSIA and JAUNDICE where the Liver is Swolen and Painful, Strength wasting, Appetite gone, Pulse weak, or Feverish Skin yellow Nerves deranged. It restores Health, Strength and Vigor to every disordered function of the system—causing them to move on just as Nature requires. And for its WONDERFUL Power over Disease in every form and part which no other Medicine possesses, the public justly style it the

Master Remedy of the Age!

The great secret of all its triumphant success over all other Sarsaparillas is that it does not tamper with the patient or prolong his sufferings. But it first attacks the disease and stop it then removes it, then brings up the flesh and strength to a perfectly pure Blood, so that the [illegible] there [illegible] and permanent. Others only scatter or beat up the disease but this ENTIRELY [illegible] wholly from the system—th[illegible] leave the patient [illegible] while others endanger it. The whole body is made so healthy by the use of this GIANT MEDICINE. the System so vigorous—Mind cheerful—Nerves so quiet—Skin so fair—[illegible] that Medical Colleges, Professors, and Physicians always prefer it for the sake of its Superiority. Try it all you who are seeking the PRICELESS BLESSINGS OF HEALTH!

Ladies, Married and Unmarried!

It is for you especially that this Sarsaparilla is made as the HEALING ART has been tasked to the utmost to have it exactly suited to FEMALE COMPLAINTS. These Complaints have never been cured for as they ought. hence it is that all the medicines which are used with the hope of Cure so invariably and entirely fail. But this Sarsaparilla has the SPECIAL ability to cure every Disease Affliction or Ailment which comes under this head. It regulates the secretions—corrects the irregularities of the System—restores strength to every part—beautifies the complexion—imparts a flow of spirits—cures [illegible] of the Heart—removes Blotches Pimples, Freckles.

DEAFNESS CAN BE CURED!

COOPER'S ETHEREAL OIL—A prompt and lasting remedy for DEAFNESS also for pains and discharge of matter from the Ear.

Hundreds of cures in cases deemed utterly hopeless have firmly established its superiority over every former Medical discovery.

This valuable Acoustic Medicine is a compound of four different Oils, one of which, the active and principal ingredient, is obtained from the back of a certain species of Walnut, a new and effectual agent in the cure of Deafness.

Persons who have been deaf for 10, 15 and even 20 years, have been permanently cured by using this Oil. In fact, [illegible] [illegible] [illegible] in all cases, [illegible] [illegible]

Patent Mill Wheels

Timbey's Patent Two Vent Cast Iron Water Wheels

SAW MILLS,

Invented by T R. Timbey of Gato N Y

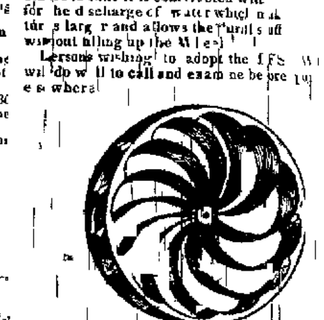
THE undersigned would invite the attention of the Public to the above named WHEEL which have been thoroughly tested in Competition with all other popular

SAW MILL WHEELS

in use at the present time and they confidently recommend them, with the same head of water applied as possessing greater *Strength and Speed*, and giving a more *Steady Motion* in and out of the cut (as not liable to break crank) and will also saw *More Lumber* under a low head than any other Wheel in use.

Another advantage which this Wheel has over others is that it is constructed with a view for the discharge of water which makes the draft larger and allows the Pupils sufficient without filling up the Wheel.

Persons wishing to adopt the [illegible] will do well to call and examine before purchasing elsewhere.



We would also call the attention of Mill Owners and Operators to

Valentine's Patent Reversing Centrifugal Water Wheel

—FOR—

"UPRIGHT SHAFTS,"

WHICH are adapted for driving all kinds of Machinery in Manufacturing establishments or Mills and are made of different sizes so as to give any amount of power required and from the reputation these Wheels have acquired by the successful operation of several hundred of them already sold and in use, we feel confident in recommending them as combining more advantage than any other Wheel, for perpendicular Shafts now used.

As evidence of the merits of this Wheel we would refer to the following extracts from the report of experiments made with the same by ITHAMAR A BEARD Esq Civil Engineer of Lowell Mass, who is well known as one of the most Scientific and experienced practical Engineers in the country.

"The wheel is formed with curved floats [illegible] number, depending upon the size and [illegible] of the Wheel each extend up so far around the Wheel that when the water arrives at the jet its pressure is so far expended that it falls very nearly [illegible] from the Wheel. The Wheel is inclosed in [illegible] wooden curb or flume, in which the water stands at its full head, the column being sustained by the stationary plate underneath the Wheel that has no downward pressure upon the Wheel which stands perfectly free in its [illegible] and by this arrangement all the friction on the step and bearing of the Wheel is avoided and so much the power saved, which in the ordinary mode of operation is wholly lost.

"This Wheel is adapted to low as well as high heads of water, and will run as well in back water, if the providing the head rise in a [illegible] as the back water. But a Wheel will then be [illegible] gauged for a high head will not as well for a low one, and vice versa, or as the head increases the width of the jets should be proportionably increased so that the water may not issue [illegible] and not give its best effect to the Wheel.

"In point of power the trials show conclusively that this Wheel is superior to the best common Breast Wheels and it has the advantage over with good effect in situations where the [illegible] Wheel would be worth less, is less liable to repairs, easily accessible when they are needed costs much less in the outlay, is much more durable and takes very much less room in a mill or shop—Simplicity of structure, durability of parts, convenience of application and excellence of power are the grand points of recommendation for this Wheel.
